

# DECEMBER at Angel's Landing... NEWS

How is it December already???

We are all busy practicing for our Christmas program. The children are doing really well and we can't wait until December 11th!

Don't forget to sign up if you would like a parent / teacher conference for infants through preschool. This is something we do each December and May to share with you our developmental assessments of your child and answer any questions you may have. If our times do not work for you, just let us know and we will fit you in.

Finally, we are excited to make Christmas special for some local children through participating in our "Angel Tree" Christmas service project. Please see the instructions on the second page of this newsletter. Ornaments will be available beginning November 27th.

2025 Tax Receipts will be available in January. Look for them on the kitchen counter!
